Scholarly

Revolutionize Your School Management Experience

Explore Features

Easy Admissions Management

Say goodbye to piles of paperwork. With Scholarly, you can simplify and automate the entire admissions process, from accepting applications to enrollment.

Effortless Attendance Tracking

Keep track of attendance with ease. Scholarly provides a user-friendly solution to record and monitor student attendance, making it convenient for your teachers and administrators.

Comprehensive Gradebook

Simplify your grading process and monitor student progress effortlessly. Our comprehensive gradebook feature enables you to efficiently manage and assess student performance.

Easy Admissions Management

Our system allows you to collect and manage applicant information effortlessly, review applications seamlessly, and streamline communications with prospective students and families, all in one centralized platform. Save time, reduce errors, and enhance the experience of prospective students and parents.

Effortless Attendance Tracking

Our intuitive interface empowers your staff to efficiently track attendance, generate reports, and communicate attendance records to parents. Say goodbye to manual attendance sheets and hello to accurate, real-time data.

Made with Sitescribe **nsive Gradebook**

With Scholarly, you can easily enter grades, calculate averages, and generate progress reports. Our system provides a holistic view of each student's academic journey, allowing you to identify trends, areas of improvement, and celebrate achievements.

What people are saying...

Amy Johnson

"Scholarly has transformed the way our school operates. Its intuitive interface and robust features have made managing our administrative tasks a breeze. It has saved us countless hours and improved our overall efficiency."

John Davis

"We've been using Scholarly for over a year now, and it has been a game-

changer. The platform is incredibly user-friendly, and their customer support is top-notch. Our staff loves using it, and our parents appreciate the seamless communication."

Sarah Thompson

"Scholarly has revolutionized the way we manage admissions. It's so convenient to have all applicant data in one place and the ability to communicate with families directly through the platform. It has streamlined our admissions process and improved the applicant experience."

Michael Johnson

"The attendance tracking feature of Scholarly has been a game-changer for us. It saves us so much time, and the automated notifications to parents have improved our communication tremendously. Our teachers are now able to focus more on teaching."

Emily Adams

"Scholarly's gradebook feature has
streamlined our grading process
significantly. It not only saves us time but
also provides valuable insights into
student progress. The analytics and
reporting tools have been immensely
helpful in identifying areas for
improvement."
